Fall Emergency/Medical Forms

Please print out, complete, and turn in all applicable forms to the health office on or before August 26, 2015.

Emergency Form ([link](#)) 1 form per student.

Concussion policy/form ([link](#)) 1 per student.

Medical Update and Information ([link](#)) Quick look info grid Gr 4-8.

Medication Authorization Form ([link](#)) For all students receiving *daily* medications at school and “as needed” *over the counter medications* such as Tylenol, Advil, Benadryl. This form is good for 1 school year. Requires MD signature. Medications sent to the health office must be in the original container, marked clearly with student’s name. Inhalers must be in original Rx box. Student’s may self- carry inhalers with only a parental signature. I would encourage you to drop off a spare inhaler for the health office. **No medications** will be administered without a completed Medication Authorization Form.

Asthma Action Plan ([link](#)) All students' with asthma/inhalers.

Dental Exam Form ([link](#)) Grade 6 only- must be dated after 11/15/14. Due May 15, 2016.

Eye Examination Form ([link](#)) New and transfer students.

Illinois Certificate of Child Health Examination Form ([link](#)) Required for Grade 6- must be dated after Aug. 26, 2014 (link Tdap letter). Also required for all students who will be participating in after school sports. Please note that Grade 5 is eligible to participate in Spring Sports. Forms are valid for 1 year from date of completion. This form must be on file (don’t forget to sign and complete parent section too) before student may begin practice! **First practice date Aug. 31, 2015.**
