SUNSET RIDGE SCHOOL
Executive Function Order Form
2015-2016 School Year

The District 29 PTO handles school supply kits through SchoolKidz. In addition students in grades 4-8 **must have** an Executive Function system to work on organizational strategies. This order is handled directly by the school. *This includes a case, a planner, and vinyl folders.* Grades 4 & 5 will use a different case than grades 6-8. However, if any student's binder is in good condition, he/she may use it again next year. In addition, the pencil case listed on the general supply lists is added to the binder in the fall.

For returning students entering grades 5-8, we are going to collect the vinyl folders from this year, label them and return them to students in the fall if they are in good shape. This not only saves parents money, but it also recycles the folders. Parents and students can determine if their case is in good shape as well as assess the vinyl folders. If the case is in good shape, students in grades 6-8 may bring back their case in the fall. Grade 5 is moving to an accordion case and grade 4 will be using a 3 ring binder. From the OPTIONS below, choose what your child needs for fall.

Order Forms are due by June 10th!
